We are now more than half way through the term and what a busy term it has been so far. The school cross country team headed off on Tuesday, to the local zone competition. It was a huge team of 35 Year 5/6 students and 17 Year 4 students who represented us and we are so proud of them.

On Friday 19 May 2023, Aotearoa became a sea of pink as schools, workplaces and communities joined the Pink Shirt Day movement. By taking part at Boulcott School we helped to stamp out bullying by celebrating diversity and promoting kindness and inclusion.

Kōrero Mai, Kōrero Atu, Mauri Tū, Mauri Ora!
Speak Up, Stand Together, Stop Bullying!

On Tuesday of last week, we held our first emergency drill for the year. We have a drill every term, to ensure both students and staff are aware of what to do in the event of a real emergency. This term we practised for a Fire Drill. It went very smoothly and we all managed to evacuate the school buildings and were assembled on the playground in 4 minutes. Over the rest of the year we will have an earthquake drill, a lockdown practice and another fire drill.

Kia pai tō rā - have a great day

Samoan Language Week

Mālō le soifua Boulcott School! This week it is Vaiaso o le gagana Samoa - Samoan language week! It's important to celebrate because it's a beautiful culture and many people living in Aotearoa have Samoan Heritage. Just like me!

The theme this year is "Mitamita i lau gagana, maua'a lou fa'asinomaga." - Be proud of your language and grounded in your identity.

We were so lucky to have Dylan come in this week. He taught the Kahikatea Syndicate a Samoan song and the Sasa. A Sasa is a traditional Samoan dance, we loved learning this and Dylan made learning about a different culture really fun and exciting for us.

You can celebrate Gagana Samoa by trying these Samoan phrases at home this week:

Hello - Talofa lava
Goodbye - Tofa soifua
Thank you - Fa'afetai
Love you - Alofa atu

World of Waste Tour

The World of Waste tour was on Thursday, 18 May, all the Year 6's went on this trip. Miss Weaver and Michelle from Enviro-Schools came with us on this fun trip! The World of The Waste Tour is about learning about reusing and repurposing rubbish.

We first went to the landfill which had a mountain of rubbish. We then talked about how we can make things better and how we feel about all this rubbish. I was a bit annoyed that people think it's okay to litter on the earth.

After that we went to Earthlink, which is a place where if you have a broken bike you can give it to them and they can either fix it then sell it, or separate the parts and put them into the recycling bin. They can also give you curtains if you need some!

Then we went back on the bus to go to the final place, the Dowse Art Museum. In the Dowse we went to see Nuku Tewhatewha, a carved meeting house. It is over 100 years old! Everyone then went to the creativity room and everyone made a clay creation that tells its own story about our hopes and dreams for our world in the future.

YUMMY STICKERS

It's time to collect Yummy stickers! Shop at your local New World, Pak'n Save, or participating Four Square stores.

Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 Yummy stickers! Place the Yummy stickers on sticker

collection sheets (available from your classroom teacher) and bring them into school.

Our Yummy stickers will then be converted into a winning share of the \$200,000 sports prize pool from DG Sport.

***Newsflash:** There is now an addition to the Yummy family - Hailstone Hero apple bags. A wild spring storm hit the Hawkes Bay, damaging a significant amount of the apple crop with hail. Although these look funny, they still taste yummy. The official cut-out is not on these bags, but you can collect the round bar-code sticker as 10 points. These are Yummy apples but branded Hailstone Heroes and available in both New World and Pak'n Saves. the end of Term 3, so let's get munching!
