We are now 2/3 of the way through Term 2 and we are continuing to enjoy a mixed bag, weather-wise. Rainy days present challenges for lunchtime activities, but when the weather is fine, there are many opportunities for students to be engaged in. Rūma Marie, is a popular spot, where students who choose to be inside can work quietly on drawing, construction and other craft activities. We have several lunchtime clubs on offer with Chess Club having re-started this term; Indian Club and Chinese Club offers children with an interest in their own or other cultures to come and learn and have fun with Miss Lal and Miss Deng respectively. There is also a really fun lunchtime dance club run by Miss Pye on offer. Many children still choose to play outside and whilst football is a super popular sport, with the new basketball hoops, the Junior courts are also proving super popular.

I was fortunate last Tuesday, on the finest day of the week, to visit Gladstone School in the Wairarapa and be taken on a tour by 4 of their Year 8 Student Leaders. The school was built in an idyllic rural setting and they have a couple of pigs, several chickens, and dozens of fish, which the children all take care of. Their grounds are extensive, especially since the school population is about 180, however the vast majority of these students travel by bus to school. I had good talk with the Principal and his DP and met all the teachers and students as I visited classrooms. It was such a great opportunity to see how another school operates. Nathan Hill, the Principal reciprocated the visit and came and visited our kura last Friday. Following our leadership hui a few of our Student Leaders showed him around our school. Nathan commented on the obvious commitment our school had to Te Ao Māori and our CHEER values and talked about the warm welcome he felt from everyone he met.

I do want to remind you all about our upcoming **Matariki celebration next Thursday, 19 June**. You will have received an email about it last week. Our doors will be open from 7:20am.

The following day: **Friday, 20 June is the Matariki Public holiday and so school will be closed.**

The following **Thursday, 26 June is our last day for Term 2** as Teachers will be attending a Teacher Only Day on 27 June.

Have a great rest of the week,

Warm regards

Ngā mihi nui

Matariki Dawn Ceremony

This is a highlight of the school year, and a great community event!

A chance to share whanaungatanga and manaakitanga, see our tamariki shine while they run the ceremony, and celebrate the growth of our reo/language, tikanga/traditions as well as honouring our tipuna/ancestors.

We warmly invite you to our Matariki Dawn Ceremony on **Thursday, 19 June**. The official ceremony will begin at 7:45am, but we welcome you to arrive from 7:20am to travel through the school, following a pathway of lights and student artwork. Pause at our Pōhutukawa Wall to reflect on loved ones who have passed, before joining us for the ceremony. Parakuihi/breakfast will be served afterwards.

Check out this video our tamariki have made about Matariki:

Interzone Cross Country

Congratulations to the 18 students who represented Boulcott School at the Interzone Cross Country at Trentham Memorial Park on Tuesday, 10 June. It was a FANTASTIC DAY.

The weather was definitely on our side with the sun shining and not a lot of wind.

Again our 18 students were a little nervous to start with and they all waited so patiently for their races. BUT WOW, once they started there was no stopping them.

Everyone should be so proud of their efforts and they all represented Boulcott School with such pride. It was a real pleasure taking them to this event.

Thank you to the parent helpers who helped transport the students and were with them throughout the day. Also thanks to the other parents that came and supported the students throughout the day. We really appreciate all the support we can get.

Congratulations to the following students who placed in the top 15. Our top 10 students will progress through to the Regional Cross Country at Harcourt Park on Tuesday, 24 June, (ppt) Thursday, 26 June.

Please remember to label your child's clothing for school. The lost property area is in the corridor outside the Hall and Room 7, please have a look if there is anything belonging to your child. Named clothing will be returned.

Anything unclaimed will be donated to charity at the end of each term.

Yummy Stickers

Thank you for collecting Yummy stickers!!

YUMMY Fruit Stickers

You can start collecting yummy stickers at anytime! Please keep collecting if you can, place the Yummy stickers on sticker collection sheets

(available from your classroom teacher) and bring them into school.

Get your friends, family, neighbours collecting the Yummy Fruit Stickers to help out Boulcott School. Shop at your local New World, Pak 'n' Save, or participating Four Square stores.

Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 Yummy stickers! Place the Yummy stickers on sticker collection sheets and bring them into school.

Our Yummy stickers will then be converted into a winning share of the \$200,000 sports prize pool from DG Sport.

*Newsflash: There is now an addition to the Yummy family - Hailstone Hero apple bags. A wild spring storm hit the Hawkes Bay, damaging a significant amount of the apple crop with hail. Although these look funny, they still taste yummy. The official cut-out is not on these bags, but you can collect the round bar-code sticker as 10 points. These are Yummy apples but branded Hailstone Heroes and available in both New World and Pak 'n' Saves.

Sticker collection sheets - you can print them from the Yummy Fruit website:
