A warm welcome back to you all following our two week break. We had a fabulous end to Term 3 with students from Kōwhai team, plus Rooms 11, 6 and 4 all creating animal habitat dioramas. All the school ( plus a few parents) had the opportunity to visit the classes involved and were impressed by the students efforts. We also had our "Great Boulcott Jump -Off" House competition, which was great fun for everyone!! Also in Week 10 last term our Year 2 classes put on a fabulous performance of a Māori Pūrākau ( Pūrākau is a term for ancient Māori oral

narratives, which encompass myths, legends, and oral histories that provide guidance, explain the world, and create shared meaning and identity.) The production was scripted by our very own Miss Lal and involved all our Year 2 tamariki. It tied in beautifully with all the activities which our school was involved in for Te wiki o te reo Māori.

Some highlights have included:

- A fun-filled lunchtime Waiata Disco
- Te Reo Reading with whānau from our community
- Rōpū Waiata, a lunch time singing group where we came together through song
- Exciting Kupu Treasure Hunts
- A special shared te reo Māori moment each day with our whole kura

We were so impressed with the way our ākonga embraced the week, showing enthusiasm, pride, and kotahitanga as we strengthened our use of te reo Māori together.

Term 4 is shaping up to be the busiest and arguably the most fun term of the year.

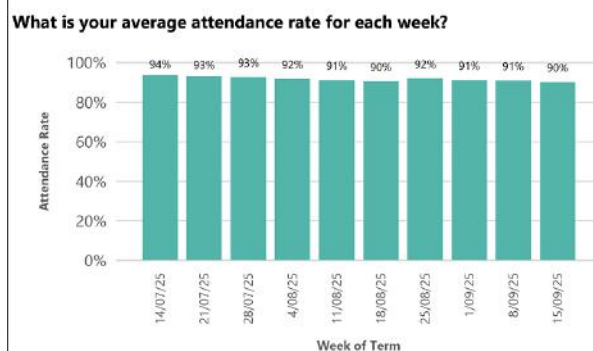

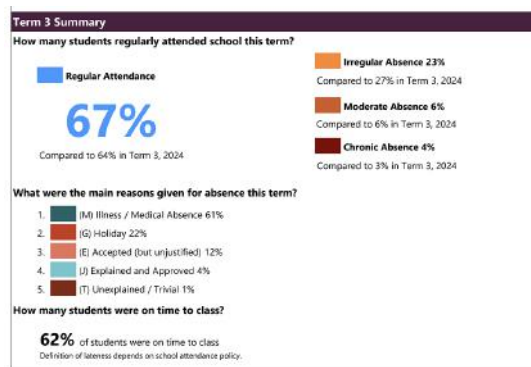

We have lots planned to ensure your children are fully engaged in their learning as well as participating in some exciting extra curricular activities both in and out of the classroom. Starting in Week 1- with school photos and Kōwhai team having some football lessons with Jenna Reddy from Capital Football. Week 2 sees Kahikatea team involved in our annual Kapa haka Exchange at Waterloo School. In Week 3 we have our Athletics day and Week 4 a sports exchange is happening with Dyer Street School.

Harakeke students have a zoo trip planned in Week 6 and we have our annual Christmas Concert scheduled for Week 9. Week 10 is a super busy week with our Termly Cheer cup assembly, whole school Big Day Out at Avalon Park, the Year 6 Garden party and a water fun day for all the school. Week 11 (which is only 2 days) features our Leavers Assembly where we farewell our Year 6 students.

School finishes for the year on Tuesday, 16 December at 1pm.

Keep an eye on your inbox this week as team leaders will be sharing their **Syndicate newsletters** with you, outlining the learning that will be happening in their teams this term.

## Attendance

These graphs provide a snapshot of how our school is performing with our attendance. It includes an overview of the reasons for absence broken

down by justified and unjustified reasons.

A 'Justified Absence' is an absence defined within a school's policy as an acceptable reason for a student to be away from school.

An 'Unjustified Absence' is recorded when a student is away from school and:

- There is no information or there is a throw-away excuse
- Explained but not within school policy, such as absence due to birthdays
- Absence due to holiday in term-time
- Extracurricular activities not organised by schools like sports, dance, music, or hobbies.

In April 2024, the Government announced a regular attendance target of 80 percent of students to be present for more than 90% of the term by 2030.

### Key messages:

1. Regular attendance at school helps build and maintain a child's learning and positive daily habits and routines, as well as promoting their wellbeing by connecting them to their peers and learning new things.
2. We want our ākonga to thrive and be resilient and active members within their whānau and community.
3. Attendance matters and we can all work together to increase school attendance.

## Student Behaviour

At Boulcott School, we aim for all our tamariki to show the CHEER values at all times as they learn in their classrooms and interact with each other in the playground. We use the Positive Behaviour for Learning programme, adapted to our context, to teach tamariki about the behaviour that is expected at our kura for everyone to be able to learn and flourish.

We utilise our student management system (currently eTAP) to record incidences where the CHEER values are not shown. When an incident is recorded by a duty teacher at break time or a teacher during learning time, a notification is sent to the class teacher of the child as well as their team leader and the Deputy Principals.

In Term 4, if a student receives two or more entries in a week, or five or more in the term for similar types of behaviour, they will have a check-in meeting with their team leader.

At this meeting the team leader will talk with the child about the things that have been recorded and support them to complete a behaviour reflection sheet and set some goals around their behaviour.

Following this, the team leader will email the whānau of the student to let them know about the recent behaviour issues, the meeting and reflection sheet coming home. The reflection sheet will be sent home with the student that day to be signed by a parent/caregiver and then to be returned to their class teacher the following week.

At the end of the year we will review this process to see if it is having an impact on reducing undesirable behaviour and increasing positive behaviour.

As always, thank you for your ongoing support.

Ngā mihi mahana

Rachael and the team at Boulcott

# Kīwaha o te Wiki 2025

Boulcott School — October 8th, 2025

Term 4 Week 1 & 2

This week's phrase is:

**Wiki tuatahi - Week 1**

Wiki tuarua - Week 2

- Use good manners
- Be organised and ready to learn
- Wait our turn
- Listen to others without interrupting
- Stay focused and not distract others
- Walk quietly and calmly with our class

# Measles Outbreak in NZ

Boulcott School — October 8th, 2025

## Measles cases in Aotearoa

As you may be aware there have been recent measles cases linked to overseas travel reported in Te Tai Tokerau and Queenstown. Cases were active in the community while infectious and there is a risk of measles circulating there, and more widely in Aotearoa.

- Measles is very contagious and can make people of any age very sick.
- Watch for measles symptoms – fever, cough, runny nose, sore eyes and a blotchy rash.

[Measles: Locations of interest in Aotearoa New Zealand – Health New Zealand](#)

- If anyone in your whānau has measles symptoms keep them home and contact a doctor or Healthline urgently on 0800 611 116.
- Vaccination is the best protection from measles. Check all whānau are immunised.

[Measles immunity – Health New Zealand](#)

[Measles, mumps and rubella \(MMR\) vaccine – Health New Zealand](#)

- Anyone closely exposed to measles who has not received two MMR vaccinations cannot attend their school/kura for at least eight days.

## Sports

Margaret Presland — October 9th, 2025

### Year 3 - 6 Athletics

We have our Year 3 - 6 athletics coming up on Monday, 20 October. Events start at 10:25am and run through until 1:10pm. Children will have several breaks scheduled within their rotation of events. From 2pm we will hold our class and House relays. This part of the day will also include our Harakeke students.

Postponement day is Tuesday, 28 October. Please note this is a change from the original postponement date, 22 October.

We do need support from our community to help make the first part of the day run smoothly. If you are able to help out please email Jo Lock - [jo\\_lock@boulcott.school.nz](mailto:jo_lock@boulcott.school.nz)

Please see further information and changes to the Zone athletics below.

Students are asked to wear the Boulcott School sports top at the Zone Athletics. These are available at the office to purchase for \$44 each.

## Zone Athletics

Our Zone Athletics for Year 4 - 6 students is on Tuesday, 4 November (ppt) Thursday, 6 November at Hutt Rec.

There has been a number of changes to Zone Athletics including:

- Central and South East have combined to complete their athletics on the same day, therefore there are more schools and students.
- We can enter our top 2 students for each event, year level and gender, due to the increased number of students.
- The top 8 of each event will go through to Interzones.
- Students are limited to 5 events + relay.
- **Sprints**
  - Year 4 students will run 60m & 100m
  - Year 5 - 6 students will run 100m & 200m
  - Students will run heats, semi's and finals on the day.
- **Relays**
  - All year levels will have 4 runners, each running 100m

If you have any questions regarding Zone athletics please contact Margaret Presland - [margaret\\_presland@boulcott.school.nz](mailto:margaret_presland@boulcott.school.nz)

## Inter Regional Cross Country

On Friday, 19 September 3 Boulcott Students travelled to Christchurch to represent Wellington in the Inter Regional Cross Country. Congratulations to

- Cooper W
- Eden M
- Arthur C

It was an outstanding experience and the competition was tough with students from Canterbury, South Canterbury Tasman and Wellington.

Cooper placed 1st in the Year 5 Boys race and his team came 2nd overall.

Arthur finished in 20th in the Year 6 boys race.

Eden placed 2nd in the Year 6 Girls race and her team came 2nd overall.

Congratulations to Cooper and Eden who were selected for the Regional Relay team and their team came 1st!!

## Orienteering

Congratulations to Cooper W who competed in the Australian Orienteering Champs over the school holidays, where he was part of the NZ Development Schools Team. He performed extremely well. In the Australian Orienteering Championships he received : Gold medal in the Sprint and Long Event. He also participated in a further Orienteering Series with participants aged 12 years where he placed Gold in the Long, and Middle event, and Bronze in the sprint which earned him a silver medal overall on time.

Congratulations Cooper.

Boulcott School — October 8th, 2025

Term 3 - Jump off and World of Waste Tour

**Jump Off**

"I did 73 skips without stopping!"

"The obstacle course was the BEST!"

"Did you see the showdown between Mrs Henry and Miss Colling?????"

On Thursday, 18 September, all you could see at Boulcott School was skipping, skipping and SKIPPING! It was the annual Jump Off day!

The whole school met under the shade sail, everyone decked out in their House colours. There were wigs, tutus, pom poms and face paint everywhere! The atmosphere was exciting as we were all super pumped to get out there and explore the skipping rotations that the teachers had organised for us.

First up for Kea was the relays. The Kahikatea kids supported the rest of the House in running, skipping and even a "Walk like a Kea" race. Then it was off to the hall for the obstacle course. We had to go under a huge parachute, over a stage, across a beam, through a ladder, over a crash mat, and through the hula hoops.... Over and over again! Time for a quick water break before we went out to the courts for long rope skipping. Finally, it was time for the Kea House Skip off, where we challenged ourselves to see who would be the last man standing (or skipping!) for Harekeke, Kōwhai and Kahikatea.

After all of the excitement of the rotations, we met the other Houses under the shade sail for the big finale- the JUMP OFF! Everyone was buzzing and tried their very best, but at the end of the day, Tui House took the lead, and the House Cup belonged to them.

By Mackenzie

## World of Waste Tour

Last term the Kahikatea Syndicate went on a trip to learn more about what we've been studying – all the horrible waste people are creating! In the morning we met Chloe, who came to Boulcott School to take us on the World of Waste tour. She talked to us about all the rubbish we create and the materials we use, like glass. She explained how people often just throw things away instead of recycling them like they should.

After that, we went to a landfill to see what happens to the rubbish. There were different areas for different types of waste, but most of it just gets buried underground where it can sit for over 500 years before breaking down.

Next, we visited the Earthlink workshop. There we saw people repurposing rubbish like metal, wood, and hard plastics. They turned these into cool things, like a skateboard chair and other creative items.

Our last stop was The Dowse, where we made art using black ink, coloured paper, and stencils that we designed and cut out ourselves. Some classes also got a photo taken.

When we got back to school, around 2pm, we talked about what we had learned. Even though we were tired, we still had time to do some more learning about waste and how we can minimise it.

# Launchpad

Boulcott School — October 8th, 2025

Launchpad Champions (formerly Bible in Schools) meet in Room 15 on Friday mornings 8am-8:30am.

We made it to the end of our journey with Joseph with WALT's including: Thinking of others before ourselves

Not to be jealous

Do our best all the time

Be patient and do the right thing

Forgive others.

*"I pray that you will... understand how to make the right choices"*     *Philippians 1:9-10 (CEV)*

Launchpad is an opt-in, 30-minute lesson that presents tamariki with positive values and aims to grow their sense of mana, self-worth and character. Stories from the Bible, NZ history and international role models are presented, and the values from these stories emphasised, to help students take these values into their lives. It's lots of fun and

we'd love to have you join us!

This [link](#) gives more information about the programme.

If your child would like to opt-in to this programme please

go to this [link](#) to enable your tamariki to be added.

You can also check out [Launchpad Plus](#), an online link to short 5 minute videos touching on a range of positive values including respect,

kindness and honesty.

# Yummy Stickers

Boulcott School — October 9th, 2025

Thank you for collecting Yummy stickers!!

## YUMMY Fruit Stickers

You can start collecting yummy stickers at anytime! Please keep collecting if you can, place the Yummy stickers on sticker collection sheets (available from your classroom teacher) and bring them into school.

**Get your friends, family, neighbours collecting the Yummy Fruit Stickers to help out Boulcott School. Shop at your local New World, Pak 'n' Save, or participating Four Square stores.**

Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 Yummy stickers! Place the Yummy stickers on sticker collection sheets and bring them into school.

Our Yummy stickers will then be converted into a winning share of the \$200,000 sports prize pool from DG Sport.

\*Newsflash: There is now an addition to the Yummy family - Hailstone Hero apple bags. A wild spring storm hit the Hawkes Bay, damaging a significant amount of the apple crop with hail. Although these look funny, they still taste yummy. The official cut-out is not on these bags, but you can collect the round bar-code sticker as 10 points. These are Yummy apples but branded Hailstone Heroes and available in both New World and Pak 'n' Saves.

Sticker collection sheets - you can print them from the Yummy Fruit website:

<https://www.yummyfruit.co.nz/schools/>

So let's get munching!

# skids Before and After School Care

Boulcott School — October 8th, 2025

## Term 4 at skids

Welcome to Out of School Care reimagined, **where play meets potential.**

This term, we are running two fantastic programmes that are exploding with flavour and fun!

Our attendance initiatives include:

- Taste Factory
- TGIF Weekender Club

**Taste Factory** runs every Monday in Term 4 from **Weeks 2-7** (except for Mon 27 October - Labour Day). Tamariki will create delicious recipes from all around the world and learn how to make them - no more packing lunches mums & dads – kids will be able to do it themselves after Taste Factory!

**TGIF Weekender Club** runs every single **Friday** in Term 4. Kids can build on skills each week, add to the leaderboard and be rewarded with certificates of participation.

Children can end the week on a high by getting involved in active obstacle courses, creative crafts and chill-out time! **Weekender Club** also focuses on building friendships & teamwork through group challenges, games and shared projects, helping kids strengthen social skills and make new friends.

Since the launch of the Adventure Programme rollout, we are still establishing Term Programmes as a valuable addition to children's education and development. Based on the research of experts in child play and the key development pillars of children, our programme is "child-led". It inspires

children to explore their interests, talents and passions through a variety of games and activities.
