It is a privilege to lead such a vibrant and connected school community, and the last fortnight has truly showcased the "Boulcott spirit" in action.

Mihi Whakatau - Last Friday, we held our Term 1 mihi whakatau to officially welcome our new ākonga and their whānau. It was a beautiful ceremony, but the absolute highlight for me was

The Karanga, performed with such poise and grace by **Aurora, Phoebe, Millie, Anouk, and Darcy**, set a beautiful tone for the morning. I was also incredibly proud of our speakers, **Kason, Logan, Julian, and Cooper**, who delivered their whaikōrero with pride. Finally, a huge Ka pai to **Jake** for leading the school haka with such strength and passion. Seeing our young leaders stand tall and lead our tikanga is a testament to their hard work and the supportive environment our whānau rūpū and staff have fostered. To our new families—it is wonderful to have you as part of our kura.

While the track is currently open for play, we are planning an **official opening in March** once our fleet of brand-new bikes and our bespoke storage shed arrive. We are very excited to share that **The Hon Chris Bishop** has already been in touch to say he would love to attend and celebrate this milestone with us. Watch this space for a confirmed date!

The **Mystery Jars** have started arriving and they look incredible—the creativity of our students is just amazing. I decided to have a go at making one myself, and I have to admit, mine doesn't look half as good as most of our tamariki's attempts! However, what it lacks in external "glitter," I can assure you it makes up for with a great mystery prize (or two!) inside.

Parent Interviews: Week 5 - Looking slightly further ahead, we will be holding Parent Interviews in Week 5. These meetings are a vital opportunity for us to sit down together, discuss your child's goals for the 2026 year, and share their recent assessment results. Building this partnership early in the year ensures we are all on the same page for your child's learning journey. Keep an eye on HERO for booking details.

Positive Behaviour 4 Learning

Week 3 - The Brain and Celebrating differences

Big Ideas:

- How do we learn?
- What do we know about our brain?
- What are the parts of the brain?
- How can we keep our brain healthy?
- We can stretch our brain by building pathways/making connections in order to make it stronger
- Differences make our world more interesting and fun
- There's more than one "right" way to learn
- People don't feel things the same way — and that's normal
- When we understand differences, we can be kinder
- Everyone deserves to feel safe and accepted just as they are

Our rōpū is here to support the school in a number of ways:

- Advocate for whānau and tamariki Māori
- Working with the Board and management to set strategy, ensure the school is giving effect to Te Tiriti, and identify initiatives related to the incorporation of Te Ao Māori at Boulcott School
- Lead or contribute to, the planning and running of significant Māori events that the school is involved in (Mihi Whakatau, Matariki, Hutt Fest, Kapa Haka Exchange)
- Fundraise

Colour Fun Run!

Boulcott School — February 18th, 2026

Dear Parents/Caregivers,

On **Friday, 6 March** we will be having our annual Fun Run where all our tamariki are encouraged to participate and try their best in a fun obstacle course. During the event, the children will race through tyres, hanging pool noodles, jump over hurdles and get showered with coloured powder, before making their way to the finish line, where they will have a disco party with their friends.

Your child **will need**:

- running shoes
- drink bottle
- an asthma inhaler (if needed)

... **and** because there is a strong likelihood that they will get **wet and dirty** on the fun run, they also need:

- a spare change of clothes in a water proof bag

- change of shoes (they may be wet after the fun run)
- a towel

Wearing white or light colours means the powder shows brightest, however this is not compulsory.

We will have an early lunch from 12:15-1:10 before running the fun run in our syndicates.

- Harakeke: 1:30pm
- Kowhai: 1:50pm
- Kahikatea: 2:10pm

We hope to finish no later than 2:30pm. Challenges will include activities involving water, obstacles etc, finishing with a colour disco.

The success of this event is dependent on parent helpers to help out around the course. Please email Karen Henry, karen_henry@boulcott.school.nz, if you are able to help.

We encourage you to come along to support the children with their races, and of course you are most welcome to join in with your children, if you are keen and prepared to get involved.

Kind regards,

Boulcott Kaiako

Sports News

Margaret Presland — February 19th, 2026

Term 1 Sports

Thank you to everyone who registered their child/ren for sports in Term 1. We have

- 7 Year 1 - 6 Touch Teams
- 4 Year 1 - 4 Netball Teams
- 5 Year 5 & 6 Badminton Teams

None of this would be possible without the support of our parents who have taken on coaching and managing roles. We sincerely thank those who have stepped forward to support our tamariki. Your time, commitment and willingness to help out is deeply appreciated and this allows us to provide these sporting opportunities for so many tamariki. We recognise that so many people have other commitments, however if you are at games and are able to help out one week by supporting the coach/manager to manage substitutions, this would be greatly appreciated.

Wellington Women's Phoenix Visit

Boulcott School was super lucky to have 5 to 6 players from the Wellington Women's Phoenix team come and visit our Tamariki on Wednesday, 18 February. Students from across the syndicates had a Q & A session, an opportunity to have items signed and then some of our tamariki were lucky enough to have a skills session with the players. I am sure the students were inspired and motivated by these players.

Thank you to the Wellington Women's Phoenix Team.

Girls only Futsal Tournament

Next week an email will go out to all the girls in Year 3 - 6 to see who is interested in participating in the Girls Only Futsal Tournament on Thursday, 19 March at Walter Nash.

We will be sending 2 Year 3&4 teams and 2 Year 5&6 teams to this event and the teams will be completed on a first in first serve basis.

We will require a number of parent helpers to help out managing the students throughout the day as well as helping with transport. If you are able to help out please indicate this on the google form when it gets emailed out.

Westpac's 'Nominate a Teacher and Help Us Donate Sports Equipment' competition!

At the end of last year, Boulcott School was entered into the nominate a teacher and help us donate sports equipment. Thank to you to Karen Henry who nominated Margaret Presland with the following nomination - Margaret Presland is an amazing Sports Coordinator at Boulcott School. She goes above and beyond for our tamariki, provides fabulous communication to whanau and staff, and is so enthusiastic with everything she does. Nothing is ever too much bother!

We are now super lucky to have a box of sports balls delivered and ready to go into our PE shed to support our Tamariki in training and achieving new goals. Thank you Westpac and isport Foundation for the balls.

Uniform Items - Hats and Sports Tops

Boulcott School — February 18th, 2026

Boulcott is a SunSmart School. Terms 1 & 4 is compulsory for all children to wear wide brimmed hats.

Hats are compulsory for all students during Term 1 and Term 4. You are welcome to provide your own wide brimmed hat (no caps) for your child.

When outside at playtimes, lunch or undertaking sport, please ensure your children have their named sun hats at school every day to enable them to play outside freely. Children without sun hats will be restricted to the shade sail area.

If you would like to purchase a Boulcott School hat please complete an order form. The hat order forms are held at the school office, orders will be processed and issued once payment is received.

Sports Uniform - Students only require a sports top if they are representing the school as part of a team or at an event such as touch rugby, basketball etc. If your child requires a sports top please see the office to complete an order form, orders will be processed and issued once payment has been received. We accept payment by eftpos or via direct credit to the school account. If you are unsure of sizing we are happy for you to try the item on your child to ensure they have the correct size.

It is important to apply sunblock to your children before school. Children also need to wear shoes at school to protect their feet, and clothes that are suitable for sun protection and sports activities.
