A Week of Learning and Connection

Last week, I had the privilege of joining 13 other Lower Hutt Principals for a 2 day leadership

seminar in the beautiful setting of Martinborough. We were fortunate to have **Brendan Spillane** as our guest speaker—a highly regarded educator and speaker known for his insights into professional relationships and cultural health. It was an invaluable opportunity to step away from the day-to-day operations and engage in deep thinking with local colleagues. We focused on how we can continue to lead with heart, build high-trust environments, and ensure our school culture remains vibrant and supportive for every student and staff member. I've returned with plenty of fresh inspiration for our journey ahead!

Celebrating our CHEER Stars

We held a fantastic **CHEER Assembly** last week, where we took the time to recognise students who have been truly "Standing Tall, and Flying High together." Congratulations to the four children from each syndicate who were awarded certificates for displaying our core **CHEER values** (Confidence, Honesty, Enthusiasm, Excellence, and Respect) in such an exemplary way. Seeing the pride on their faces and the support from their peers is always a highlight of my term.

The Wheels are Turning!

There has been a lot of excitement on-site this week as our new bike container shed has officially arrived! Even better news—our brand new fleet of bikes is arriving this week as well. We are currently working on the final touches for the track and look forward to an "official opening" early in Term 2. It is going to be wonderful to see our tamariki active and building their confidence on two wheels right here at school.

Diving into Term 2: Swimming

Just a heads-up for your planning: **Swimming lessons will begin for all students in Term 2.** This is a vital part of our PE curriculum, building water safety skills and physical confidence. Please keep an eye out for specific dates and swimming requirements (ie togs, towel, goggles etc) from your child's class teacher so everyone is ready to make a splash when we return!

Holiday Wishes

The last 3 days of this term sees me participating in a Principal's Study tour in Brisbane, with over 20 Wellington Principals. We are visiting some Australian Primary Schools, attending a workshop with Sean Gordon OAM an Executive Leadership Coach, and meeting with Bernadette Hanna, the Executive Director of State School Strategy for Queensland.

As we wrap up the first term of the year, I want to thank our wonderful community for your ongoing support and partnership. Whether you are staying local or heading away, I wish you all a very **Happy Easter** and a restful, safe, and happy holiday break with your tamariki.

Take care, stay safe, and we look forward to seeing everyone refreshed and ready for Term 2!

Ngā mihi nui,

Rachael Sole Principal

Board News

Boulcott School — April 2nd, 2026

The Board met on 23, March 2026 and representative attended from our Home and School committee after a successful Twilight Gala. Well done to all involved.

The Board hosted a morning tea with school staff on Friday, 27 March to recognise the hard work the Teaching, Support Staff and Management team do. It was a great opportunity to hear about the current pressures and reiterate that the Board has an open line of communication with teachers through their staff representative Emma Colling and the Principal.

The Board wishes the whole school community a Happy Easter and a restful school holiday break. See you back for Term 2!

Get Firewise - Harekeke

Boulcott School — April 2nd, 2026

This term Harekeke Syndicate has been learning how to 'Get Firewise'. We have learnt how to stay safe near a fire, what to do if we find matches or a lighter lying around, the difference between toys and tools, and we know that if there is a fire at home we need to 'Get down, get low, get out, fast!' We had a visit from a firefighter to reinforce our learning.

Make your home and family fire safe

Fire and Emergency New Zealand offers **free home fire safety visits** to support people to make their homes fire safe for them and their families.

During a visit we:

- Provide information on fire safety
- Install and test smoke alarms
- Provide a free smoke alarm to those eligible

For more information or to book a free visit, call the 24-hour call centre on 0800 684777 or visit www.fireandemergency.nz/fire

Whānau Rōpū

Boulcott School — April 1st, 2026

Whānau Rōpū Information

Our first hui for 2026 is scheduled for Friday, 24 April at 3:15pm in Room 11 (Brigit Scahill's classroom, by the staff carpark) at Boulcott School. We would like to invite all whānau Māori to attend. Tamariki welcome.

Our main kaupapa will be the planning for the term ahead, with our big events being Huttfest (Tuesday 23 June) and Matariki (Thursday 2 July).

For those who are new to the kura/school, each year the Whānau Rōpū, with the help of the Home and School Committee and staff, host a Matariki celebration before school. It provides an opportunity for our students to play leading roles in the ceremony, showcase our culture and show manaakitanga to the wider school whānau, as afterwards we put on breakfast for everyone.

It takes a lot of planning and effort, so if you are keen to help out in the lead up, and/or on the day, please come along to the hui. Equally if you can't make it but want to help, please let us know so we can keep you in mind for specific jobs.

Kaua e whakamā (don't be shy), come along!

Any questions, please get in touch: whanau_ropu@boulcott.school.nz

Sports News

Margaret Presland — April 2nd, 2026

Term 1 Sports

We have come to the end of Term 1 for sports at Boulcott School. We have had

- 6 touch teams
- 4 netball teams
- 5 badminton teams

A large number of our teams have done very well in their respective competitions. Congratulations to you all for representing Boulcott School to a high standard.

I would also like to take this opportunity to thank all the parents who have stepped in as coaches and managers for these teams. Without their patience, dedication and sacrifices we wouldn't have been able to enter so many teams into the different competitions. THANK YOU.

We look forward to another busy term of sports in Term 2.

Boulcott School Cross Country

WOW, what an amazing day we had for our annual Cross Country on Tuesday. The day had plenty of energy, amazing levels of dedication, a lot of resilience shown by tamariki and bucket loads of positive spirit across the school.

Congratulations to all the students who took part on Tuesday, whether it was in the competitive or non competitive races. You should all be very proud of yourselves.

A massive thank you to the parent helpers who helped out around the course and also the wonderful parents and whānau that came along to support all our Tamariki.

Congratulations to the students in Year 4 - 6 who have progressed through to the Zone events happening in May. More information will come out at the beginning of Term 2.

Boulcott School — April 1st, 2026

Term 1 - Cross Country

Kia ora whānau,

On Tuesday, 31 March, we had our 2026 Cross Country! The day started off with the Year 6 girls, followed by the Year 6 boys. After that, up came the Year 5's and the Year 4's, with the most excitement because this was their first year to go to zones.

Finally, we had the Year 3's, 2's, and 1's do their race, and after a little break, we moved on to the non-competitive race, with all ages starting with the Year 3's going all the way up to our Year 6's.

Congrats to all who came in the top eight and will go to zones in Week 5, Term 2. There was some awesome running and achievements by our tamariki, along with some amazing cheering for all who participated. It was so cool to see all the different colours and the look on some of the parents' faces at some extraordinary outfits.

It was very special to see our Senior students help the younger Juniors with their running. It was a great way to see their leadership. Luckily, there were no bad injuries, and students were able to get up and keep going.

It was such an amazing opportunity to get some parents in to watch their kids race. We are so glad that the weather held off and we were able to run with no rain and not much wind, unlike the weather forecast.

And finally, we would like to thank Ms Presland for her amazing organisation.

LAUNCHPAD

Champions

Launchpad

Boulcott School — April 1st, 2026

Launchpad Champions (formerly Bible in Schools) meet in Room 15 on Friday mornings 8am-8:30am.

Launchpad is a fun 30-minute lesson that presents tamariki with positive values and aims to grow their sense of mana, self-worth and character through games, stories, drama, workbooks and crafts.

Over the last few weeks, we have covered the Easter story through the eyes of a donkey and a rooster.

"# more than chocolate"

Of course, we couldn't pass up the opportunity for an Easter egg hunt, too.

Some of the containers were empty, reminding us that Jesus is alive!

Wishing you all many blessings over this Easter season! See you next term!

This [link](#) gives more information about the programme.

If your child would like to opt-in to this programme please go to this [link](#) to enable your

tamariki to be added. We'd love to have them join us!!

Yummy Stickers

Boulcott School — April 1st, 2026

Thank you for collecting Yummy stickers!!

YUMMY Fruit Stickers

You can start collecting yummy stickers at anytime! Please keep collecting if you can, place the Yummy stickers on sticker collection sheets (available from your classroom teacher) and bring them into school.

Get your friends, family, neighbours collecting the Yummy Fruit Stickers to help out Boulcott School. Shop at your local New World, Pak 'n' Save, or participating Four Square stores.

Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 Yummy stickers! Place the Yummy stickers on sticker collection sheets and bring them into school.

Our Yummy stickers will then be converted into a winning share of the \$200,000 sports prize pool from DG Sport.

Sticker collection sheets - you can print them from the Yummy Fruit website:
<https://www.yummyfruit.co.nz/schools/>

So let's get munching!

PERFORMING ARTS

For more information, please call
www.spotlightperformingarts.co.nz

Is the term flying by for you... but your child still hanging out for the holidays?

For many of us, the term feels like it's flying, yet for our tamariki, it often feels slower. This is because their world is filled with anticipation, effort, presence and emotions... it's all this that keeps our tamariki deeply inside each day.

If your year is flying, this can be a helpful time to pause and gently reset.

- 1 Choose one place to slow the week down**
 Know that not every part of your whānau life needs changing. One calmer pocket can make a big difference. It might be an evening with no rushing, a shared walk, or eating together without devices.
- 2 Notice what your child is carrying right now**
 By this point in term, effort builds. This means that friendship dynamics, learning demands, and tiredness often show up at home. What looks like irritability is often accumulated effort.
- 3 Reset your attention a little**
 Even 5 fully present minutes can feel meaningful to a child and help slow your year down. A small moment of connection matters and reminds us that we don't need to keep pushing.

Autumn acts as a great reminder to look up, notice where everyone is at, and gently return to what matters most.
